Wood Venetians

GREENGUARD Certified
As the world embarks on a new era of seeking out environmentally safe products, improving indoor air quality has emerged as one of its greatest challenges.

Woodland Harvest Custom Wood Shutters and Wood Venetians by Lafayette has, from the beginning, been an environmentally safe product because of its specialized production processes and waterborne finishes.

Choose the perfect color for your special room. Select from one of the 80 Woodland Harvest standard paints stains and washes, or Custom Color.

Select Millwoods are the ultimate in wood blinds. Available in 4 select wood species: Oak, Cherry, Mahogany and Pine they are hand finished and top coated to perfection.

Unlock All Limitations

From top to bottom, the right combination of innovation and craftsmanship opens the door to limitless possibilities. French Door cut outs enable you to access your windows while complimenting each decorative detail.

A mosaic combination of specialty and regular panels

Woodland Harvest Custom Shutters

Custom shutters by Lafayette are manufactured in our state of the art facility with premium select hardwoods in nearly any size and shape.

Customize your Woodland Harvest shutters with patterns, textures and colors. Lafayette leads the industry in offering these truly unique custom options.

Compliment your shutter with a variety of decorative frames.

Manh Truc® natural Woven Wood inserts are available in an assortment of colors and textures.

Offering total privacy, LucentView™ acrylic blocks are perfect for sidelight and transom window applications.
